**Project Goal**  
 A state of the art facility to centralize employees from several locations to a new campus headquarters and accommodate the company's planned growth. An open, collaborative environment with a sophisticated aesthetic that supports new ways of working.

**Project Scope**  
 425 workstations, 45 conference rooms, board room, break rooms, cafés, game room, reading room, lobby and open area lounge spaces. Services included space planning, interior design, installation, ergonomic consultation, project management and move management.

**Products**  
 Herman Miller Canvas workstations, Mirra task chairs, Caper conference chairs, Swoop lounge seating, Eames and Everywhere tables; National Reno and Swift lounge seating; DFm custom boardroom table, Chromcraft conference chairs, Sit On It On-Call stack chairs, WCI tables, Geiger and Cape café stools
